

## MONETARY POLICY IMPLEMENTATION

---

**PROPOSED DATES:** May 19-23, 2025

**TARGET GROUP** | The workshop is primarily designed for junior to mid-level central bank officials involved in developing monetary policy and its implementation. Participants are expected to have a degree in economics or finance or equivalent work experience. Your current job or responsibilities at work should be linked to the topic of the workshop.

**DESCRIPTION** | The workshop is aimed to support CCAM central banks in modernizing monetary policy implementation. The workshop starts by reviewing conceptual issues of operational frameworks of monetary policy, operating targets and monetary instruments. Participants are expected to share their experience and will be asked to make country presentations. Peer learning will be an essential element of the workshop.

**OBJECTIVES** | Upon completion of this workshop, participants will be able to:

- understand conceptual issues of monetary policy implementation,
- understand key features of monetary policy instruments,
- define key elements of operational framework and their link with policy goal,
- understand different monetary policy practices in the region.

**LANGUAGE** | The workshop will be delivered in English language, with simultaneous interpretation to Russian.
