

# Risk Based Supervision Workshop Description

**TARGET GROUP** | Junior to mid-level government officials in central banks and financial regulation agencies involved in the supervision of banks. Your current job or responsibilities at work should be linked to the topic of the workshop.

**DESCRIPTION** | This workshop will be a continuation of the Risk Based Supervision (RBS) workshop held during 2023 with a goal to further refine and focus the discussion to specific issues and challenges faced by the supervisors in the region. As a part of CCAMTAC/ Regulation and Supervision focus on supervisory issues, this event is a part of the annual gathering of the key supervisors in the region with an increasing weight placed on key challenges in risk-based supervision and surrounding regulatory and supervisory frameworks.

**OBJECTIVES** | Upon completion of this workshop, participants should be able to:

- Understand and apply different approaches in RBS in their jurisdiction
- Integrate different risk elements and components into the existing RBS flow in supervision in a way most suitable to their legal and supervisory frameworks
- Apply solutions to specific challenges in RBS in their jurisdictions

**DELIVERY Mode** | In-person

**LANGUAGE** | The workshop will be delivered in English language, with simultaneous interpretation to Russian.
