Workshop on Monthly Indicator of Economic Growth

TARGET GROUP | Junior to mid-level government officials in statistics agency/committee/office involved in the compilation of Monthly Indicator of Economic Growth (MIEG) or quarterly national accounts. Participants are expected to have a degree in economics or finance or equivalent work experience. Your current job or responsibilities at work should be linked to the topic of the workshop.

DESCRIPTION | The workshop, delivered by the IMF's Statistics Department in cooperation with the Caucasus, Central Asia, and Mongolia Regional Capacity Development Center, is related to technical assistance on the compilation of MIEG. The workshop starts by reviewing monthly source data and compilation methods for the MIEG and will discuss methods for chain-linking monthly and quarterly data. Participants are expected to share their experience and may be asked to make country presentations. Peer learning will be an essential element of the workshop.

OBJECTIVES | Upon completion of this workshop, participants should be able to:

- Assess the quality of monthly source data for the compilation of MIEG
- Compile the MIEG by applying appropriate methods and techniques
- Ensure consistency between the MIEG and quarterly national accounts

DELIVERY Mode | In-person

LANGUAGE | The workshop will be delivered in English language, with simultaneous interpretation to Russian.
