Regional Workshop on Supply and Use Tables

TARGET GROUP | Junior to mid-level government officials in statistics agency/bureau/office/committee. Participants are expected to have a degree in economics or finance or equivalent work experience. Your current job or responsibilities at work should be linked to the topic of the workshop.

DESCRIPTION | The workshop, delivered by the IMF's Statistics Department in cooperation with the Caucasus, Central Asia, and Mongolia Regional Capacity Development Center, is related to technical assistance on compiling supply and use tables. The workshop starts by reviewing the compilation of supply and use tables and then will discuss the compilation of input-output matrix. Participants are expected to share their experience and may be asked to make country presentations. Peer learning will be an essential element of the workshop.

OBJECTIVES | Upon completion of this workshop, participants should be able to:

- Compile supply and use tables in accordance with best international practice.
- Transform supply and use tables into the input-output matrix.

LANGUAGE | The workshop will be delivered in English language, [with simultaneous interpretation to Russian].
